3-Bed CCFFH Substitute Caregiver (SCG) Application

If approved, this SCG will be permitted to work in any DOH-approved 1, 2 or 3 Bed CCFFH. The SCG Approval will be mailed to the SCG so contact them for a copy. The SCG will be added as a household member of the PCG if both addresses are the same.

CTA has 30 days to process this request from the date of receiving a complete application. The application will not be processed if incomplete. Please do not contact CTA until after 30 days.

Primary Caregivers (PCGs) are responsible for having an adequate number of SCGs to provide care for their clients 24 hours a day/7 days a week/365 days a year.

After the SCG receives CTA approval, the client's Case Management Agency must train the SCG on every client's service plan before providing care to any client.
